

LIVE DIGITAL MOSAICS™

Social, interactive, and animated

PRODUCT GUIDE

PICTURE MOSAICS

DISPLAY

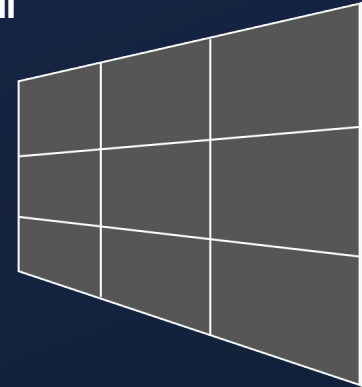

HDTV & UHDTV

For a crystal-clear presentation of your mosaic, HD & 4K displays are perfect.

Video Wall

Multiple screens come together to form a massive video wall. 2x2 grid, 3x3 grid, or more.

Projector

No monitors necessary. Whether it's an empty wall or the side of a building, put it to good use by displaying your mosaic.

LED Matrix Wall (Jumbotron)

When you really want to “wow” your guests —go big. All eyes will be locked on your mosaic throughout the event.

Display device not included in pricing.

PLATFORM OPTIONS

BASE COST: \$3,500 - \$6,000

Live Digital Mosaic

A live mosaic built photo by photo. Each attendee sees their photo dynamically placed into the mosaic.

- True photo placement of live photos in real-time animated fashion
- Hundreds of pop-out animation style options for previous photos
- Timed mosaic completion and percentage completion to ensure the mosaic looks perfect at all times
- Interactive and online options available (click-n-learn, search, etc.)
- Self-managed option available via The Online Mosaic Tool

Demo

Mixed-Live Mosaic Animation

Each attendee sees their photo enter the animation in real-time. The mosaic completes when you want it to.

- A dynamic, never-ending mosaic animation mixing pre-event starter photos and live event photos
- Perfect for that unveiling moment at your event
- Can complete once or multiple times
- Options to build different mosaics

PHOTO CAPTURE

Luma Photo Booth

A self-standing ring light lets guests pose and take their own photos. This self-service standing option is easy to set up and comes with built-in lighting.

Premium Photo Booth

A sleek, self-service booth with built-in pro lighting. Guests can snap photos with ease, and the booth can be fully wrapped with your branding for a custom look. Simple to set up, easy to use, and made to stand out.

QR Code

Guests scan a QR code to submit selfies or pick a favorite photo from their device. Printed onsite signage makes scanning quick and easy; an optional link can also be sent to attendees.

Photographer (iPad/DSLR)

An onsite brand ambassador or photographer engages guests using a DSLR camera or our award-winning app on an iPad Pro*. Optional data collection (name, email, T&Cs, etc.).

* The mosaiCapture App is available for iPad and iPhone in the App Store.

ADD-ONS

**Prize Locations**

If a guest's photo lands on a prize location, they win! Prizes can include gift cards, iPads, Apple TV, and more, chosen at random, targeted, or evenly timed throughout the event.

**AI Personas & Backgrounds**

Transform live photos into unique, brand-safe personas and environments. Guests can become nearly anything: a business professional, astronaut, scientist, engineer, superhero, etc. They can also select a background theme that puts them anywhere in the world.

**Live-synced Online Mosaic Microsite**

Share your mosaic with those who couldn't make it. Two online platforms with extensive sharing, search, and interactive capabilities.

**Social Sharing Enhancements**

Give guests a branded, digital version of their photo and mosaic to share online via email or text — Facebook, Twitter, and more. Boomerang GIF option available.

**Branded Photo Takeaways**

Never let them leave empty-handed. An instant, branded takeaway of each guest's photo. Print and digital shareable options available.

**MosaicMe Takeaways**

Turn each guest's photo into its own mosaic - instantly! Designed with your custom branding. Print and digital shareable options available.
