LIVE DIGITAL MOSAICS™

Bring fans and friends together with a live, interactive photo mosaic

Adding your photo is just the beginning! Presenting a unique way to bring together fans, customers, or employees for a truly stimulating experience. Watch as a photo mosaic is built right before your eyes, find your friends, or meet some new faces.

• Photos and videos are added live through a photobooth, photographer, Facebook/Twitter/Instagram hashtag, Facebook post, Snapchat, or smartphone browser
• Pop-in and pop-out animation catches the eye as submitted photos and videos are showcased individually
• Sharing and social networking widgets
• Each individual photo or video is clickable to reveal comments, hashtags, and more
• Optional prize locations encourage submissions
• Fully accessible from any mobile or desktop browser
• Optional content moderation system
• Base: $7,000 (cloud-based & local plug-n-play solutions available)
• See examples at: www.picturemosaics.com/event
